

**Note: the following pages are from brochures only pertaining to the appropriate vehicle. This is not a complete brochure.**

**Cutlass Cruiser Brougham:** The luxurious way to go Olds in a wagon. You'll be carrying people as well as cargo, so you'll appreciate that roomy, space-efficient interior, fitted with full-foam seats. And you can have them upholstered in supple

vinyl or rich velour, no extra charge. There's luxury in the ride, too. Smooth on the open road, agile in city traffic, a treat to drive and park. Even with all that cargo space, you'll know you're riding in a smooth and comforting Oldsmobile.

**Cutlass Cruiser:** You need a quality wagon. But you want it to be affordable. Well, that's what our Cutlass Cruiser is all about. Expect it to serve you well for a good long time.

Cutlass Cruisers go about their chores in style—with great Cutlass

looks, smooth ride and comfort befitting an Oldsmobile. Cutlass Cruisers have a flair for economy, too. A smooth-riding 3.8-liter V6 is standard. But you can order a 5.7-liter diesel—and get the only mid-size wagon in America available with a diesel V8!

## CRUISER BROUGHAM

**Cutlass Cruiser Brougham:** The luxurious way to go Olds. Wood-grain vinyl paneling is available.

Brougham Cruiser's available divided front seat in elegant brushed nylon knit.

Up to 71.8 cu. ft. of load space in each wagon. Functional split tailgate, too.

Cutlass Cruiser: The budget-pleasing Olds wagon.

Cutlass Cruiser interior in supple, durable vinyl.

### A closer look at what makes Olds Cruisers so tough, yet comforting.
